Pam Wenger Weekend Watercolor Portrait Workshop Saturday, Oct. 2 and Sunday Oct. 3 from 9am to 4pm

Pittsburgh Watercolor Society is delighted to present a Weekend Watercolor Portrait Workshop with Pam Wenger. Pam is a retired teacher who has won numerous awards from the American Watercolor Society (AWS), National Watercolor Society (NWS), Pennsylvania Watercolor Society, Pennsylvania's "Art of the State", and Baltimore Watercolor Society's Mid Atlantic shows. Pam's work has been featured in Splash Magazine, in Artist's Magazine, and she has worked with Charles Reid and Ted Nuttall. Pam's art can be viewed on her website at www.pamwenger.com and on Facebook at facebook.com/pamwengerwatercolor.

Pam Wenger
"connects with people through their expressions, their poses, their placement in a composition."

At the workshop, participants will learn to paint watercolor portraits in a spontaneous style that involves minimal layering and the use of transparent colors. Students should be comfortable with painting in watercolor, but do not need to have experience with portrait drawing or painting. Experienced artists may work freehand, but drawings printed on watercolor paper will be provided for all participants so that those who want to focus on the painting process without spending too much time drawing can do so.

As the workshop is cumulative and sequential, participants must attend both Saturday and Sunday of the workshop. (Friday evening attendance is optional.) CDC and state health guidelines will be followed during this in-person workshop. Also, Pam is an experienced Zoom workshop presenter who will mail all references and watercolor papers to participants in the event the workshop goes online.

LOVE BINDS PITTSBURGH

Cover the region in messages of love and hope!

Calling ALL FIBER ARTISTS!

Do you appliqué, crochet, embroider, knit, macrame, quilt, weave, make lace, hook rugs, or have some skills to share? Want to learn?

WHY:

Join together with others in our community to brighten and beautify spaces and neighborhoods touched by gun violence.

WHERE:

Join us at an in-person event or drop off your materials or finished projects at any of our convenient locations.

Scan the QR code below for more information, and details about drop-off locations and events

HOW:

Create a 24"x 36" panel in whatever your medium and decorate with the word 'LOVE' or 'HOPE'!

The pieces will be hung inside or outside in places chosen by our community partners.

Please use weatherproof yarns (acrylic and wool are good choices) or materials.

Plenty of inspiration can be found at loveacrosstheusa.org, a crochet project created by artist London Kaye.
