WELCOME NEW MEMBERS

Gloria Dufresne

I have been a practicing artist for fifty years, working mostly in oil and watercolor. My works have been accepted and shown in numerous juried shows both abroad and in the United States, many of which have been sold and have been recognized with awards. Love of color is evident in my portrait, still life and landscape works. Through my years of travels I have worked, taught and studied with other with other

professional artists and continue to expand my knowledge and expertise.

Travis Haberjak

I started traveling and taking photos in 2014/ I have been to 26 countries and 44 USA states. I started showing my work in 2022. I have recently showed my work at Spinning Plate Art Gallery, Merrick Art Gallery and North Hills Art Center. I spend a lot of time

in Cranberry which is why I was interested in joining the Cranberry Artists Network.

One of the things I enjoy with showing my work is to help inspire people to travel more. I talk with people about some of their favorite places they have traveled to, help them get ideas about places they want to travel to. Anyone I talk to that says they haven't traveled a lot I help them with ideas of local things that they usually find interesting but have not heard about.
